

40' x 300' plots

50' x 240' plots

60' x 200' plots

75' x 160' plots

12,000 sq. ft. plots based on amount of land needed to grow vegetables to supply a 100-150 seat restaurant. Different plot dimensions provide different opportunities for access through the site. Plots are gridded for maximum use of farming land.
