

Observing the Farm

Program Size

- Event / Observation - 15,000 sqft
- Lobby - 7,200 sqft
- Brewery - 4,150 sqft
- Welcome Center - 3,200 sqft
- Kitchen - 2,600 sqft
- Crop Storage - 6,200 sqft
- Vehicle Storage - 3,100 sqft
- Cabins - 300/400 sqft

This strategy is based on OBSERVATION. Guests arriving drive down a winding, wooded path that gives small glimpses of the farmland to the south. The trees clear and a building emerges that serves as a portal from the wooded area. The visitor enters the lobby and then into the welcome center. Inside the lobby the visitor has access to the brewery and the kitchen. The cabins are located in the forest north of the parking lot.
